

MEETING NOTICES

PUGET SOUND AND NORTHWEST CHAPTERS

NW Chapter Chair Randy Firoved has announced that there will be a joint meeting of the NorthWest and Puget Sound Chapters on Wednesday, May 10th, at the City of Everett Transit Training Center, 3225 Cedar Street, Everett (we've met there before, its 2 blocks from the Everett Pacific Hotel by I-5).

Please invite those of your organization that have interests in PMS, budgeting, scheduling or the one that owns the hands that are around your neck. This is open to one and all.

There will be two presentations:

Roy Scalf, Snohomish County Public Works, "Project Selection and Network Analysis"

Lisa Woltrink, Puget Sound Regional Conference, "Funding - What's available? How to get it!"

Also questions and answers, Lisa stated they would be flexible to the audience's needs.

Also, as usual, there will be open discussion to cover the needs that may have arisen. Somebody at the meeting will have experienced a similar

situation, so bring your questions. If you have any answers, please attend, they are sorely needed.

For details, call Randy at (206) 388-6420.

Remember to schedule time for the afternoon hours, because...

Design TechCom

Chair Dave Nichols has scheduled the next meeting of the Design/Rehabilitation Technical Committee for Wednesday, May 10th, at the City of Everett Transit Training Center, at 1:00 PM. This is the same day as the joint NW/PS meeting, so stay for good conversation over lunch and attend the Design TechCom meeting! For details Dave Nichols at (360) 754-4580.

SOUTHEAST CHAPTER

will meet at the Walla Walla Public Works Dept, A and Boeing St intersection, Walla Walla, on Wednesday, May 3rd, at 10:00 AM. Will include review of Quarterly Meeting, handouts for new agencies, and useful discussion. Chair Sue Schuetze (509) 786-5611.

NORTHEAST CHAPTER

will meet tentatively June 15th, Chair Howard will have all the details in the next issue of this fine newsletter.

EXECUTIVE BOARD

Chair Eric has set an EBoard meeting for Wednesday, May 17th in Ellensburg. EBoard members will receive details, all are welcome to attend, call Eric at (206) 596-2957 for details and location.

ADC TechCom

The Interstate ADC Evaluation Project is taking shape. The agreement just needs to be signed, samples will be selected soon, the vendors will be rating in May or June. You will be receiving details about how you can join in and rate the segments, so you can see how you are doing. Meetings will be scheduled as needed, for current details call Jim at (206) 388-3488 or Dan at (360) 705-7383.

Visual TechCom

Nothing currently scheduled, call Chair Bill Whitcomb to discuss the possibilities, (360) 696-8290

SOUTHWEST CHAPTER

No meeting scheduled, contact Bill McEntire at (360) 694-2446, x1620, if you are willing to be the new Chair.

NDT TechCom

No meeting currently scheduled, call Chair Dave Shepard at (360) 699-2446 ext. 1621 for input.

ASCE PAVEMENT DESIGN

WORKSHOP

The Spokane Chapter ASCE is sponsoring a Pavement Design Workshop to be held on May 25th, 1995. It will be held at Mukogawa Ft. Wright Institute, 4000 W. Randolph Road, Spokane, in "The Commons" Room. The registration fee (which includes dinner) is \$25.00 per attendee if received by May 1, 1995, or \$35.00 per attendee if received after May 1, 1995.

To Register, send your name, firm/agency, and phone and fax numbers with payment (CHECK ONLY, payable to ASCE) to: Gifford Consultants, Attn: Grant Cummings, 2020 E. Springfield, Spokane, WA 99212.

Schedule:

2:30 - 3:00 Registration
3:00 - 7:00 Pavement Design Workshop
7:00 - 8:00 Dinner

ANNUAL CONFERENCE

The NWPMA Annual Conference will be held in Olympia the week of October 17-19. Pat Carroll and Dave Nichols, Thurston County, are the Chairs of the conference, if you have any topics, speakers, concerns or input, please give them a call at (360) 754-4580. Included on the pre-preliminary schedule are: a Thump-off and Rate-off the first morning; banquet including the naming of the 1995 Pavement Manager of the Year; vendor's displays; a bowling and/or golf tourney; and lots of good information! Make your plans NOW!

TRANSPEED COURSES

include 'Effective Implementation of Pavement Management Systems'. It will be held May 16-17 at St. Martins College in Lacey. Instructors will be nationally renowned PMS experts Paul Sachs, WSDOT, and Roger Smith, TTI. To register or for more information call Engineering Professional Programs at (206) 543-5539.
